Leaving a Bequest to The Mary Potter Foundation

“A bequest is a freely given gift that comes out of gratitude, without a sense of obligation. And it helps to make the world a more caring and joyful place,” Dr John Harriot

Thank you for considering leaving a bequest to The Mary Potter Foundation.

For over 37 years, The Mary Potter Foundation has been supporting care for palliative patients and their families in Mary Potter Hospice, Calvary’s Palliative Home Care Service, Calvary Central Districts, Calvary Adelaide, Calvary Cancer Services and more recently in any of Calvary’s Aged Care facilities.

The Mary Potter Foundation raises funds to support the costs associated with caring for patients with a life-limiting illness. In addition, we fund non-medical support and services to ensure each patient receives the care they need and makes the most of the time they have left.

One of the greatest gifts someone can give is a bequest.

Bequests not only support the Foundation’s current needs, but they also guarantee we will still be here in the future, to serve the next generation who will need palliative and end-of-life care for themselves or someone they love.

There are many ways you can leave a gift including:

- what remains in your estate after specific gifts and costs have been distributed
- a percentage of what remains

The Mary Potter Foundation Inc

- a specific amount of money/shares
- specific items

Your solicitor can assist you with appropriate wording, however the following is sufficient to include The Mary Potter Foundation in your Will:

"I bequeath unto The Mary Potter Foundation Inc(please insert)..... for its general purposes, free from the payment of debts, funeral and testamentary expenses any duties payable in respect of my estate and declare that the receipt of the Secretary or other proper officer of The Mary Potter Foundation Inc shall be sufficient discharge to my Executors in respect thereof."

Thank you for choosing to support the Foundation and blessing our community in this special way.

If I can be of further assistance, please do not hesitate to call or email me at any time.
